ENVIRONMENTAL SOLUTIONS

WORKSHOP

Environmental obligations and energy efficiency opportunities

ARE YOU:

- Aware of all of your company's environmental obligations?
- Looking to save money through reducing energy use?
- Seeking to find out how an energy assessment may help your business?
- Wanting to hear success stories from companies that have invested in energy efficiency?
- Interested in finding out what assistance is available?

This **FREE** interactive workshop aims to assist companies to understand and comply with their environmental legal obligations. In addition the workshop will provide attendees with an understanding of the potential savings available through energy efficiency including the benefits of undertaking an energy audit. The workshop will also include case studies of companies that have identified and implemented initiatives which have lead to real and tangible savings.

The workshop will also outline Ai Group's new services to assist industry comply with their environmental obligations as well as identify and implement energy efficiency projects including the benefits of capturing data and undertaking energy assessments.
