

**ENVIRONMENTAL SOLUTIONS WORKSHOP**  
**IDENTIFYING AND IMPLEMENTING RESOURCE EFFICIENCY INITIATIVES**

The Australian Industry Group (Ai Group) in conjunction with the Enterprise Connect Workshops, Industry Intelligence & Networking (WIIN) Program invites you to attend a **FREE** one day workshop that aims to assist companies adopt energy, water and resource efficiency initiatives.

**ARE YOU:**

- Looking for opportunities to reduce your exposure to rising energy, waste and water costs?
- Concerned about the implications of rising energy costs including the Carbon Tax on your business?
- Seeking to access funding available to business?

The 1 day workshop has been designed to assist companies to:

- Identify opportunities to improve energy, water and resource efficiency
- Learn from industry leaders
- Understand the practical technologies available to improve resource efficiency
- Understand the productivity and financial benefits of resource efficiency
- Increase motivation to implement strategies
- Access networking opportunities; and
- Increase awareness of funding opportunities and industry support programs, including Enterprise Connect

In addition to attending the workshops, attendees will also be able to obtain support through Ai Group's Energy and Sustainable Business Help Desk. The Help Desk provides practical advice and assistance on energy, water and waste improvements.
