BUSINESS OVER BREAKFAST

INNOVATION:
WHERE TO NEXT FOR YOUR COMPANY?

Innovating is a key strategy in combating global challenges. Developing new products, services and more efficient processes is vital to remain competitive and grow.

Come, hear and discuss with our expert panel how you can better build innovation into your business.

Leading for innovation success – Dr Tim Kastelle, Lecturer in Innovation Management, University of Queensland Business School
Embedding innovation – Roger La Salle, innovation author, electronic engineer, multi-patent holder and past 'New Inventors' panellist
Low cost open innovation – Kate Morrison, Managing Director, Vulture Street Innovation

You will also hear about:

- Ai Group's FREE business review service to get you started with innovation (part of the Australian Government's Enterprise Connect program)
- access to $20,000 matched Australian Government funding for specialist consultants; and access to new technologies, in-house researchers and specialist knowledge.
